

Grain Daily Operations

The course was excellent, even doing online, in-person may have been more beneficial but don't be afraid to offer more online classes it is much easier to attend

– Castlewood Farmers Elevator

I thought the training was good and felt I gained valuable insight into Grain processes.

– Growmark, Inc

The instructor did a great job explaining everything, answering questions, & showing me how to input any info or look up any reports.

– Argyle Co-op Warehouse Association

Always great to get a refresher training course. After 28 years, these training sessions are still necessary! Thank you
