

Mobile Loaves & Fishes Toiletry Kits

Giving toiletry items to folks who do not have regular access to them provides much more than basic cleanliness. These toiletry items provide a sense of restored dignity and humanity as well as an opportunity to pursue growth by presenting well in job, housing, or assistance interviews. Further, providing a variety of hair care products for individuals of different ethnicities allows all people served to be given cleanliness, dignity, humanity, and a chance.

Packaging these items in reusable or zippered bags will help those living without homes to keep and carry these items with them.
