VERSE 1

D
You don't ask for perfection
Bm
So I won't even bother pretending
G A
I've been known from the start
D
Holding secrets is heavy
Bm
So I'll tell You them all, Lord I'm ready
G A
Here's my heart, opened up

CHORUS

G D
Honesty, You want honesty
Bm A
Not just part of me, You want everything
G D
So all of me, I'll bring You all of me
Bm A (G to end)
No more hide and seek, Jesus I'm coming clean

You're the One I won't question

With my hands lifted high, I'll remember
G A
That I'm safe with You, God
Bm A
And there's no fear in Your love
