VERSE 1

1
You don't ask for perfection
6m
So I won't even bother pretending
4 5
I've been known from the start
1
Holding secrets is heavy
6m
So I'll tell You them all, Lord I'm ready
4 5
Here's my heart, opened up

CHORUS

4 1
Honesty, You want honesty
6m 5
Not just part of me, You want everything
4 1
So all of me, I'll bring You all of me
6m 5 (4 to end)
No more hide and seek, Jesus I'm coming clean

VERSE 2

1
You're the One I won't question
6m
When my mind runs a million directions
4 5
You're the friend I can trust

Here I am Lord, surrendered
6m
With my hands lifted high, I'll remember
4 5
That I'm safe with You, God
6m 5
And there's no fear in Your love

CHORUS
