## VERSE 1

1/3 4 6m 5  
I'm standin' at the edge of a grave  
1/3 4 6m 5  
Here lies the empty life that I chased  
1/3 4 6m 5  
Where death has lost its hold on me  
1/3 4 6m 5  
Your grip of love I could not escape

## VERSE 2

1/3 4 6m 5  
And I'm walkin' in the valley of dry bones  
1/3 4 6m 5  
Where resurrection power starts to grow  
1/3 4 6m 5  
The breath of God now in my lungs  
1/3 4 6m 5  
I'll prophesy, His light has come

6m 4 1 4 1 5  
Hallelujah, hope is alive, hope is a - live

## VERSE 3

1/3 4 6m 5  
I'm kneelin' at the foot of the cross  
1/3 4 6m 5  
My richest gains I count them all loss  
1/3 4 6m 5  
No more let sin and sorrow reign  
1/3 4 6m 5  
Through Jesus' blood I'm forever changed

## CHORUS

## BRIDGE (2x)

1/3 4  
How wonderful, how glorious  
6m 5  
The story of Your love for us  
1/3 4  
Oh the majesty, the mystery  
6m 5 (Hold to chorus)  
The story of Your love for me
