You can access a wealth of guidance, encouragement and support from peers and professionals from across Medway's VCS. Take a look at some of the support routes listed below - and get in touch with the MVA team to find out more and start getting connected today.

Medway Voluntary Action Supoprt for any new, developing or established voluntary sector group and organisation - including: free online resources, training and 1:1 guidance and support sessions.

A mix of online and face to face meetings offering peer-support and information sharing opportunities in relation to the VCS' daily operations and emergency responses.

VCS Community Response Sessions

> Funding & Marketing Support Network

An online network of VCS members responsivble for fundraising and marketing for their own groups or organisations - providing training, expertise and peer-support.

An established group of VCS CEOs/Managers committed to supporting the 'voice' of the VCS on local strategic issues and offering the local sector opportunities to network and develop.

VCS Leaders Network

> VCS Transformation Academy

A 3-year programme helping the VCS to radically develop and safeguard their services for future generations - free training, expert speakers, 'real life' testing and mentoring are all on offer.

A unique initiative being explored by the VCS to develop a way for the VCS to share back-office resources, and in turn improve access to support and reduce individual running costs.

VCS Transformation Alliance

> Better Together Consortium

A group of VCS partners delivering Medway Council contracts, who welcome wider VCS interest in working collaboratively.
