

Key Information Sheet

The content provided in this sheet contains

summary points from our resident contract and service user guide and is not intended to replace the more detailed information in those documents (which are available on our website or on request from the home) but to provide you with the information you need to make informed decisions, and ensure that it is provided in a clear, accurate, accessible and unambiguous manner. Rectory House Nursing Home, located in

Sompting, West Sussex has 39 bedrooms over

3 floors, with beautifully appointed ensuite

bathrooms. Several rooms benefit from views over the Sompting Recreation Ground and the homes secure courtyard where residents can relax in the fresh air. The home provides residential and nursing care on a permanent or respite basis. The home manager is Karen Allen. The Care Quality Commission, the regulator of

health and social care in England inspected the

home and rated it 'Good' in July 2022.

Fee changes To cover inflation and other predictable cost increases, your fees will increase by up to 8% in April each year. Where the date of admission is between 1st January and 31st March in any year the fees will not be increased on 1st April that year, but will instead be reviewed after 6 months

and thereafter on 1st April each year. The only other increases payable will be if, upon assessment, your care needs have changed materially, in which case we will discuss any changes to fees with you as early as possible. Contents insurance Your room comes fully furnished, although

you are welcome to bring your own small

items of furniture. We are unable to accept

responsibility for items that are lost or damaged,

reasonable security precautions at the home. If

it is important to have these items with you, you

should arrange suitable contents insurance. Full terms and conditions are shown in our

contract, a sample of which is available on our

website or from the Home on request.
