Fee changes To cover inflation and other predictable cost increases, your fees will increase in April each year. Where the date of admission is between 1st January and 31st March in any year the fees will not be increased on 1st April that year, but will instead be reviewed after 6 months and thereafter on 1st April each year.

The only other increases payable will be if, upon

assessment, your care needs have changed

materially, in which case we will discuss any

changes to fees with you as early as possible.

Contents insurance Your room comes fully furnished, although you are welcome to bring your own small items of furniture. We are unable to accept responsibility for items that are lost or damaged, unless, in the unlikely event we have not taken

reasonable security precautions at the home. If

it is important to have these items with you, you

contract, a sample of which is available on our

website or from the Home on request.
