

Key Information Sheet

The content provided in this sheet contains

summary points from our resident contract and service user guide and is not intended to replace the more detailed information in those documents (which are available on our website or on request from the home) but to provide you with the information you need to make informed decisions, and ensure that it is provided in a clear, accurate, accessible and unambiguous manner.

Scoonie House Care Home, located in Leven,

home provides residential care on a permanent or respite basis.

The registered manager is Melanie MacDonald, who has many years of care experience.

Fife has 36 bedrooms over 2 floors, 28 with

beautifully appointed ensuite bathrooms. The

During the latest inspection (June 2020)

The Care Inspectorate rated the home in five categories:

4 Good

Respite Care

From £1,300

How good is our care and support during

the COVID-19 pandemic?

How good is our leadership?

How good is our staff team?

Not Assessed

How well do we support people's wellbeing? Not Assessed

Weekly fees

Fees are subject to a pre-admission needs assessment which is required to fully understand the level of care and support required.

Permanent Care

From £1,200

Residential

Fee rates are also determined by the size and aspect of the room and the duration of the stay (short stay/respite or permanent).

All care and support including a monthly review of care plans
A dedicated key worker from the care team
All meals, snacks and drinks

Activities and lifestyle programmeAll utilities and other accommodation costs

of fees, damage to property or any other

refunded at the end of your residency, subject

outstanding breach of contract. Funding changes – wealth depletion

Admission into the home assumes that self-

funding residents are able to fund their care for

2 years. Should a funding change become likely

after 2 years, you should let the Home Manager

know so we can discuss the best course of

necessary applications to funding bodies.

action allowing sufficient time for you to make

If circumstances change during the first 2 years

in the home and you can no longer afford the

private fees, you or your family may be asked to pay a top-up to any local authority funding you are entitled to receive at that time.

If you are unable to afford the top-up, we will do all we can to continue to accommodate you in the home, but we can only guarantee continued residency if the funding meets our fee levels.

Alternatively, we may end your residency with us or require you to move to a less expensive room if one is available.

increases, your fees will increase in April each year. Where the date of admission is between 1st January and 31st March in any year the fees will not be increased on 1st April that year, but will instead be reviewed after 6 months and thereafter on 1st April each year.

The only other increases payable will be if, upon assessment, your care needs have changed

materially, in which case we will discuss any

changes to fees with you as early as possible.

To cover inflation and other predictable cost

Fee changes

regular assessments of your needs to determine whether you qualify for this type of funding. The first 2 months in the home for self-funding residents is considered a trial period, during which either you or we can end the contract after 14 days of serving written notice on the other. We will only end the contract during the trial period if we are unable to meet your needs. After the first 2 months, the notice period will increase to 28 days. For further information on the funding available to you, please refer to our guide to funding, sample contract and service user guide, all of which are available on our website or on request from the Home. Requirements before admission To confirm your admission, we will ask you to provide evidence of how you are planning to fund your residency for a minimum of two years. If you are unable to show that you can meet this minimum funding period, we may not be able to proceed with your admission, unless someone is

items of furniture. We are unable to accept responsibility for items that are lost or damaged, unless, in the unlikely event we have not taken reasonable security precautions at the home. If it is important to have these items with you, you

should arrange suitable contents insurance.
