# Program Overview and Requirements

CLS Spark Program, an initiative of CLS, is sponsored by the U.S. Department of State with funding provided by the U.S. Government. It is supported in its implementation by American Councils for International Education.

CLS Spark provides opportunities for American undergraduate college and university students to study Arabic, Chinese and Russian virtually at the beginning level. Designed to leverage best practices in online language learning, CLS Spark provides American undergraduate students the opportunity to study critical languages virtually when they may not have access to language learning on their campuses or the ability to study abroad.

The CLS Program reserves the right to change or cancel any or all program institutes based on safety, health, and security considerations, and other factors.

## Eligibility

### To be eligible for the CLS Spark, applicants must:

- Be a U.S. citizen or national at the time of their application.
  - Others, including Permanent Residents, are not eligible, even if they anticipate naturalization by the beginning of the program.
- Be at least 18 years old by May 15, 2024.
- Be enrolled in an accredited U.S. degree-granting program at the undergraduate (associate, bachelor's) level at the time of their application. Students who are graduating seniors at the time of application are eligible to apply.
  - Applicants must be enrolled in a program that results in a degree. Applicants who are taking stand-alone or continuing education classes or who are pursuing a certificate are not eligible.
  - Applicants must be enrolled at an accredited U.S. institution. Students earning degrees at foreign institutions that are not based in the U.S. or its territories are not eligible, even if those institutions are accredited by a recognized U.S. accrediting agency.
  - Applicants must be enrolled in at least one credit-bearing class at or through their home institution in the fall term of 2023. There are limited exceptions to the enrollment requirement; please read the following information carefully:
    - If applicants are enrolled in a degree-granting program but taking a leave of absence to participate in an organized term- or year-long study abroad program; national scholarship program; or to participate in a substantive internship program, they may request an exception to the enrollment requirement. Exceptions may only be granted in these three cases, and decisions will be made on a case-by-case basis beginning in late January.
      - **If applicants are not taking classes at or through their home institution in the fall term, they must submit a CLS Enrollment Confirmation form completed by their home registrar in the U.S. Applicants must also submit a signed letter from the study abroad or internship program provider explaining the opportunity and confirming their participation. American Councils will provide the CLS Enrollment Confirmation form and further instructions to applicants selected as semi-finalists on how to submit documentation. If selected as a finalist, American Councils**

**may ask the finalist to submit updated documentation from the program provider confirming their successful completion of the program.**

- Applicants must successfully complete academic requirements for the fall term in order to remain eligible for the CLS Program. Applicants who withdraw or fail to maintain a passing grade average are not eligible to participate in the program.
- Applicants must complete at least one full year of study (two semesters or three quarters) by the beginning of the CLS Program in Summer 2024.
- Applicants must have no formal classroom training in the languages offered (Beginning Chinese, Beginning Russian and Beginning Arabic).
- Applicants may only apply once, for one language and for one of CLS' models (i.e., Overseas or Spark), each year. Applicants who submit multiple applications will be considered ineligible.

**The following persons are ineligible for the CLS Program:**

- Individuals who have been selected for and participated in the CLS Program (CLS Program alumni);
- Students at the graduate level (master's, doctoral or professional degree programs);
- Employees of the U.S. Department of State who work in offices under the Deputy Assistant Secretary for Academic Programs, in the Bureau of Educational and Cultural Affairs (ECA), for a period ending one year following the termination of such employment;
- Employees of private and public agencies under contract or grant with the U.S. Department of State who perform services related to the Critical Language Scholarship Program, for a period ending one year following the termination of their services; or
- Immediate family members (i.e., spouses and dependent children) of the individuals described in the above paragraphs, for a period ending one year following the termination of such employment or service. This provision does not disqualify self-supporting members of families who live apart from their parents.

These provisions do not extend to part-time or temporary employees, consultants, or interns of the U.S. Department of State (including at U.S. Embassies and Consulates), or to contract employees of the U.S. Department of State, unless such persons perform services related to the Critical Language Scholarship Program.

**For applicants to the Fulbright U.S. Student Program:**

Applicants to the CLS Program may apply for and receive both a CLS Program award and a Fulbright U.S. Student Program award in the same academic year. However, participants may not accept both a CLS Program award and the Fulbright Critical Language Enhancement Award, which provides supplemental critical language study funding for Fulbright U.S. Student Program grantees, in the same academic year.

If a participant receives a Fulbright grant with a mandatory pre-departure orientation that falls during the CLS Program period, he or she may need to choose between accepting the CLS Program award and the Fulbright grant.

**Participation Requirements**

With reasonable accommodations, participants in CLS Spark must:

- Have reliable Internet access to some type of electronic device to participate in live classes weekly including the ability to be on camera and use a microphone;

- Complete pre-program orientation virtual sessions (both recorded and live);
- Complete pre-program assessments and surveys, where applicable;
- Attend all classes and activities and complete homework assignments, as dictated by the program schedule and for the duration of the program (program dates will be announced prior to the deadline for accepting the award, if offered);
- Complete mid- and post-program surveys; and
- Complete post-program proficiency testing.

## Military Affiliation

The CLS Program welcomes applicants with affiliation to the U.S. armed services. All applicants with military affiliation, including all U.S. Department of Defense military and civilian personnel, service academy cadets, service members of active and reserve components, as well as inactive service members, including members of the Individual Ready Reserves (IRR), may be subject to passport or visa requirements, special waiver requirements, prohibition of travel to the host country, and/or other restrictions. Prior to completing the CLS application, all applicants with affiliation to the U.S. armed forces should carefully review the CLS Program's instructions on this topic (<https://clscholarship.org/faqs>) and seek advice from the appropriate commanding officer.

## Additional Requirements

If you are selected for a CLS Spark award, as a requirement of your participation, you must agree to the terms and conditions of the award. You may review a sample of the terms and conditions from a previous year. The award terms and conditions are revised on an annual basis and may change before the start of the program.

## Essays

There are three essay questions on the application form. Your response to each essay question is strictly limited to a maximum number of words. ## Sections 1-3: Application Instructions, Program Overview and Requirements

The application instructions and program overview pages cover technical aspects of using the application system and describe the eligibility requirements and basic information about CLS Spark.

## Section 4: Eligibility

Please complete the questions regarding your eligibility for the 2024 CLS Spark virtual initiative.

Please read the prompts carefully and note that an answer of "No" to questions asked on this page does not necessarily indicate that you are ineligible for the CLS Spark. Complete eligibility information is available at <https://clscholarship.org/applicants/eligibility>. A list of frequently asked questions is provided on the CLS website at <https://clscholarship.org/faqs>.

**1) Citizenship:** Only U.S. citizens and nationals are eligible for CLS Spark. Naturalized citizens must have U.S. citizenship by the CLS application deadline of November 14, 2023. Permanent residents and green card holders are not eligible to apply.

**2) Age:** You must be 18 years of age by May 15, 2024 in order to be eligible for the 2024 CLS Spark virtual initiative.

**3-6) Enrollment:** Please answer questions about your enrollment status and the accreditation status of your university. If you are unsure about either, please refer to your college or university's office of the registrar. If you are not currently enrolled for whatever reason, please describe your educational status in the space provided in 3a.

**4-5) Leave of Absence:** Please note that students on a leave of absence are not considered eligible CLS Spark, with limited exceptions made for students who have withdrawn from their academic program in order to pursue an organized semester- or year-long study abroad, a national fellowship or scholarship program, or substantive internship program, who intend to re-enroll following its completion.

If you are not taking classes at or through your home institution in the fall term, you must submit a CLS Enrollment Confirmation form completed by your home registrar in the U.S. You must also submit a signed letter from the program provider explaining the opportunity and confirming your participation. American Councils will provide the CLS Enrollment Confirmation form and further instructions to you if you are selected as a semi-finalist. If selected as a finalist, American Councils may ask you to submit updated documentation from the program provider confirming their successful completion of the program.

**6) Institution:** Applicants must be students at Higher Education Institutions based in the United States that are accredited by a Department of Education recognized accreditation agency. Students at institutions with suspended accreditation are not eligible to apply. Students at colleges and universities based in a country other than the United States and its territories are not eligible to apply. Students at colleges and universities located outside the United States and its territories, that are nevertheless incorporated and based in the United States are eligible to apply, as long as they meet all other eligibility requirements.

**7) College-Level Study:** Applicants at the undergraduate level must complete at least one full year of college-level study before participating on CLS Spark. You should indicate whether you will fulfill that requirement by the start of the program in June 2024. Note that part-time students still qualify.

**8) Only One Application:** Applicants may only submit one application for CLS Spark each year. If it is determined that an applicant has submitted multiple applications in the same application year, they will be determined to be ineligible to participate in CLS Spark (or the CLS Program overseas). If you submitted an application in error and need help deleting it, please contact our staff at [cls@americancouncils.org](mailto:cls@americancouncils.org).

**9) Fulbright:** Applicants to the Fulbright U.S. Student Program may accept both a Fulbright grant and a CLS Spark award in the same year. However, participants may not accept both a CLS Spark award and the Fulbright Critical Language Enhancement Award, which provides supplemental critical language study funding for Fulbright U.S. Student Program grantees, in the same academic year.

**10) Veteran Status:** All other factors being equal, CLS Spark gives preference to veterans of the U.S. armed forces. Note that active-duty members of the military do not qualify for a veteran's preference in this case. If you are a veteran, you must provide a copy of your DD214 or NGB-22 form to prove your status, or you may decline to receive this preference. You should redact your social security number on the form before submitting it.

Prior to completing the CLS application, all applicants with affiliation to the U.S. armed forces should carefully review CLS Spark's instructions on this topic at <https://clscholarship.org/faqs> and seek advice from the appropriate commanding officer.

## Section 5: Biographical Information

**1-3) Name:** Enter your name as it appears on your government-issued ID documents, such as your passport or driver's license. Your name as entered will be used on all official CLS Spark communications, so please use appropriate capitalization.

**4) Gender:** Although applicants are not required to disclose their gender identity on the application, responses to this question are used when reporting on the equity of the CLS Spark’s recruitment and selection process.

**7) Permanent Residential Address:** Please enter your permanent residential address, at which you are eligible to be registered to vote. The CLS Program, including CLS Spark, reports to members of Congress when constituents from their states or districts receive a CLS award. Your address should fall within the congressional district you indicate.

**8) Congressional Voting District:** Enter the state code and district number of your congressional voting district. This should be the district where you are registered to vote or plan to vote in the next election. This information can be found on your voter registration card or by searching for your address at <https://www.house.gov/representatives/find-your-representative>.

Select "At Large" for states with only one Congressional representative. Those states are: Alaska, Delaware, Montana, North Dakota, South Dakota, Vermont, and Wyoming. Enter "At Large" also for the District of Columbia and U.S. territories (American Samoa, Guam, Northern Mariana Islands, Puerto Rico, and U.S. Virgin Islands).

**9-13) Current Contact Information:** Please provide the primary telephone number at which you can be reached through October 2024. If you are providing an overseas, non-U.S. number, please indicate the country code, preceded by a 'plus' sign (+). Also indicate an alternate phone number. CLS Spark will use this number to reach you only in cases where we cannot reach you using your primary email address or phone number and there is time-sensitive information that we need to communicate, such as a program deadline. Consider entering the contact information for a close friend or family member.

Enter the email address at which you would like CLS Spark staff to contact you. All official CLS Spark communications will be directed to the indicated e-mail address so you should indicate an address that will remain valid through October 2024. You must also enter an alternate email address. We strongly recommend you not to use university email addresses as your primary form of communication, as you may not have access to this email address after the current academic year.

If you are selected to participate in the program, we will contact you using the information that you enter here, so please provide contact information that you will be available at through October 2024. If you are selected, you will have an opportunity to update your contact information at that time.

## Section 6: Current Academic Information

**1-5) Current College or University:** Choose the name of your current college or university and provide information on your current enrollment, including your start date, expected graduation date, and the type of degree you are pursuing.

Please note that the data in the CLS Application reflects information derived from the Department of Education’s Integrated Postsecondary Education Data System (IPEDS), which is updated on an annual basis. If your college or university is an accredited U.S.-based institution but not listed as an option, please contact us at [cls@americancouncils.org](mailto:cls@americancouncils.org) and we will happily add it as an option.

You may optionally indicate the specific campus or division of your school that you attend. Note that this field should not be used in the place of your college or university name, which is required to submit your application.

If you are attending two institutions of higher education concurrently, or you are enrolled in a dual-degree program with two institutions, then please choose one to indicate here, which we will identify you as a student of during and after the program and indicate the other as a previous institution in the Previous Academic Information section. If one institution is not an eligible institution (for instance, if it is based outside the United States), then indicate the eligible institution in this section and the second institution in the Previous Academic Information section.

**6-7) Current or Anticipated Academic Major(s):** First, indicate the name of your degree program at your university—this is the name of the degree that you are working towards and anticipate graduating with. Then, select your major(s)/field(s) of study from the provided list. You may not be able to find the exact name of your major or minor in the drop-down menu on the application. Please select one or more options that are as close to your degree as possible. The field of study list is derived from the [Classification of Instruction Programs](#), developed and maintained by the Department of Education's National Center for Education Statistics.

**8-9) Terms Completed:** If you are not a first-semester student, you will be asked to provide additional information about your school's term structure and your previous academic performance. Please indicate the number of terms you have completed (whether semesters, quarters or other), not including the current term.

**9b) GPA:** Enter your GPA at your current institution, if applicable. Please round your GPA to the nearest tenth (e.g. 3.4). If you do not have a GPA, enter N/A in this field. Do not enter your high school GPA or your GPA at a previous institution.

**10-12) Spring 2024 Enrollment:** Please answer the questions about your enrollment status in Spring 2024 (Spring semester or Spring quarter).

**12) Anticipated Spring 2024 Courses:** Please list all courses that you intend to enroll in for the Spring 2024 semester or the Winter and Spring 2024 quarters.

**13) Fall 2024 Enrollment:** If you're planning on being enrolled in the Fall 2024 term, please indicate 'Yes' here, along with the approximate start date for the term.

## Section 7: Transcript and Grades

**1-2)** Provide a copy of your unofficial transcript for your current college/university. Please ensure that your unofficial transcript includes the courses that you are currently enrolled in for the Fall 2023 semester, as well as all previously completed courses. There are two methods to choose from to provide your unofficial transcript record with your online application:

**Option 1:** Scan and upload a copy of your transcript or grade list to the online application. The maximum allowable file size is 5MB. If your transcript file is larger than this, the file size must be reduced before uploading it. Do **not** upload a digitally signed or password protected e-transcript PDF. Most e-transcripts produced by universities are digitally signed and cannot be submitted with this tool. As a workaround, you may print your e-transcript and then upload a scanned copy of the printed transcript.

**Note:** Some transcripts include the Social Security Number students. If your transcript contains your social security number, please remove this information before uploading it.

**Option 2:** Alternatively, you may enter your courses and grades manually by completing a form. Using your online grade report or transcript, please enter information on all courses you have taken. Please provide details on any courses listed on your transcript, including those you may have withdrawn from or for which

you received an incomplete. This form should match your institution's record, exactly. If you have not received a grade yet, please enter "N/A".

**Note:** Failure to provide unofficial transcripts may result in the disqualification of your application. Please note that CLS Spark will verify official transcripts after selection. Falsified unofficial transcripts will be grounds for disqualification.

## Section 8: Previous Academic Information

If you have attended another college or university in the past, please provide this information in your online application. You may add as many additional entries as needed. Upload a copy of your unofficial transcript for each institution attended.

## Section 9: Previous Programs, Honors, and Fellowships

Indicate any fellowships or academic honors that you have received, including previous CLS Program or other U.S. Government funded awards.

- 1) Previous CLS Participation:** If you have been offered or received a CLS award in the past, you will be asked why you were unable to complete the program previously.
- 2) U.S. Government Awards:** Indicate other U.S. Government-funded programs in which you have previously participated.
- 3) Other Honors and Fellowships:** Optionally, you may also indicate up to three other fellowships or other academic honors that you have received.
- 4) Activities and Employment:** Provide information on up to five jobs, internships, or activities. that are directly relevant to your language study, academic program, or your eventual professional career.

## Section 10: Language Choice

**1) CLS Spark Target Language:** Select the language you are applying to study (Arabic, Chinese, or Russian).

The language that you select may be referred to as the "**target language**" throughout the online application.

Applicants must choose one language only. Multiple applications by one applicant will result in disqualification from the CLS selection process.

## Section 11: Language Study and Travel

**1-2) Target Language Experience:** Provide any information regarding your target language background. If you have studied with a tutor, have knowledge of a specific dialect in the target language, or have a family background in the target language, please provide this information in the appropriate sections. If you are a true beginner, you may have limited to no activities to describe.

**3) Future Language Course Experience with your CLS Target Language:** Provide information on courses you intend to enroll in during the upcoming Spring or Winter term. You should not provide information for literature or other content courses unless the class is taught in the target language, including all readings and written assignments.

**4-6) Target Language Travel:** Provide information on any travel you have done to a country or countries where the target language is spoken.

**7) Other Language Experience:** Provide information on other languages you speak, as well as previous language study.

**8) International Travel:** List all significant international travel opportunities you have participated in previously for the purposes of work or study.

## Sections 12: Essays

There are three essay questions on the application form. Your response to each essay question should follow the guidelines for each question regarding the number of maximum words:

- 1) Motivation and Commitment (350 words maximum)
- 2) Access to Language Learning Opportunities (300 words maximum)
- 3) Statement of Experience (300 words maximum)

Essay responses may be written using a word processing program, then copied and pasted into the online application. Essays exceeding the word limit will not be considered for the scholarship. Please note that the word-count software used by the online application may differ from the software used by your word processing program. Be sure to leave yourself time to edit and reduce your word count, if necessary.

Before you begin your essays, it is strongly recommended that you read the information on the CLS website pertaining to your language and watch the video providing guidance for writing effective application essays for CLS Spark at [www.clscholarship.org/apply](http://www.clscholarship.org/apply). Before submitting your application, you will be asked to type your name as an electronic signature certifying that the material you entered into the online application is true and that you understand and agree to the terms of the application.

**Please note:** The CLS Spark Application is not submitted until you press the "Submit Your Application" button and you receive an email confirmation. If you have not filled out necessary or required information in the application and attempt to submit your application, you will remain in the 'Review and Submit' section and will be able to see which sections are incomplete in the section navigation box on the left-hand side of the application; incomplete sections requiring additional information will be noted, in red text, with an asterisk.
