

2024 Class Schedule

Fresno | Sacramento | Mantec | Oakland | Bakersfield | Santa Maria

We offer training at 6 of our 7 locations or can travel to a client's preferred location upon request for groups of four or more. Each course offers classroom instruction, hands-on evaluation, and a written exam. Individual certificates and wallet cards are issued after each course's successful completion.

To register for a class, please call 559-240-8102 or email iwalker@cromer.com.

New Operator Training

Level: Beginner

Prerequisite: Must be 18 years old

Class Time: 8:30 a.m. – 4:30 p.m.

Cost: \$300, lunch provided

This class is for those with little to no experience operating a lift truck, similar to a driver's education class and includes all elements of the New Operator Training class. It provides students with added hands-on training to operate a sit-down forklift safely and efficiently in a controlled environment. After completing each workbook section, students apply knowledge from classroom instruction to operate a forklift.

Train the Trainer Forklift Instructor Certification

Level: Beginner – Expert

Prerequisite: Knowledge of powered industrial trucks

Class Time: 8:30 a.m. – 4:30 p.m.

Cost: \$995, lunch provided

OSHA requires trainers to have the knowledge, training, and experience to train operators and evaluate their competency. Safety professionals, supervisors, and anyone who trains lift truck operators will benefit from this class. This class covers the 24 required training elements of the OSHA and ANSI standards. Participants will learn how to conduct required training, identify core characteristics of a successful trainer, adjust to different learning styles, evaluate performance in the workplace, and much more.
