NEW OPERATOR TRAINING CLASS

This class is for those with little to no experience who want to learn how to drive a lift truck. Students receive hands-on training on how to operate a sit-down forklift safely and efficiently under supervision in an area that does not endanger the trainee or others. Classroom instruction and a written test included. Certificate of completion and a "restricted" wallet card will be issued to students who demonstrate sufficient operating ability.

Fresno - January 31, February 14, March 28, April 7, May 12, June 16, July 17, August 2 & 19, September 22, October 13, November 13, December 21

Santa Maria - January 12, February 9, March 9, April 13, May 11, June 15, July 13, August 10, September 14, October 12, November 9, December 14

Bakersfield - January 19, February 17, March 16, April 19, May 18, June 22, July 20, August 17, September 21, October 19, November 16, December 20

The course is available in English & Spanish, and is available at your location.
