

Tapestry Online Agreement

Dear Parents,

Here at the British International School of Ljubljana we love to share your child's learning with you and to do this we use an online assessment tool called 'Tapestry'.

Our Tapestry accounts are ready to go live to all parents.

This means you as parents will be able to have instant access to view your child's observations, photographs and even videos from their times in the Early Years here at BISL.

Teachers will make comments based on their observations of your child and these are used to inform our planning and our assessment. We would like to mention that the observations are made by the teachers and are made in the moment, so there maybe the odd spelling mistake or error made due to typing. We ask you to bear this in mind when reading through the observations.

On Tapestry all information is stored on a highly secure server which is monitored closely. Parents will have a secure username and a unique personal password. Please note parents will only have access to their own child's learning journal. Due to the nature of Early Years teaching it means that your child's picture may appear on another child's learning journey when working in groups.

E-safety is extremely important to us here at BISL. Therefore, we ask that you follow our guidelines and rules listed below and sign the agreement attached before we go live to parents. The email address you provide will be the mail your child's online journal will be linked to.

Please read and sign the attached agree.

Once all agreements have been returned, we will be able to go live to parents in EYFS.

Kind Regards,

Isla Gillespie

Head of Early Years
