Make a Wish Project

1. Our Teachers will be distributing letters in class. You may want to share a letter between a few of you, that's fine too. The wishes in letters do not need to be taken literally - they are merely a guide as per the direction of the gift.

2. Each letter is placed in a sheet protector along with project instructions and sticker for the gift. The sticker includes **number of the letter, child's name and age of the child.**

It is very important that you place this label on the gift in order to insure that we can deliver it to the appropriate child.

3. If you require translation of the letter, please send your request to reception@britishschool.si.

4. Buy the gift and wrap it nicely.

5. Place the sticker (with the letter ID and child's name and age) on your packaged gift.

6. Bring your gift to school by **Wednesday December 7 at the latest**. Drop off the gift at the **Reception desk** (at the main entrance) to one of our **Admissions Team members**. Please make sure that the gift is handed to one of our team members in order to mark it as **Received** and put on the list for delivery.

7. If you are unable to fulfill your letter for any reason, please return it to your Form Teacher, as soon as possible, so that it can be reallocated to someone else.

In case of any questions, do not hesitate to contact us via reception@britishschool.si.
