

## 3/15/2022 CLP Podcast #494 Bart Shotgun's the Low Stakes Part 2

11. Dude opens \$300 CO 15, sb calls I think about calling w 79o and realize even 79dd would be bad! **How large can you call?**
12. Indian (280 stack) makes it \$11, call call me call sb w 66 and miss (**15-25-35**)
13. Open KK over limp \$15 btn other Indian calls, call. 969dd.. I bet 25 call fold. Turn 8h. X/40 call. River 7h. He has 140 left he checks back I win. **never bluffed the river 5th street chicken .. Link: Most Reliable Live Poker Tell**
14. Straddled pot! I complete for \$3 w 27cc after 4 limps \$3 for \$17.. flop T45r X around. Turn 8cc I bet \$15, call young Indian \$45 w \$100 left .. so )100 in pot \$30 to call to win \$200, I call fold. 6h I jam he calls w 76 Reverse pot odds!! **Pot odds calculation**
15. ISO over CO limp with 23hh sb (\$500) calls 15 call. 834cc. Bets \$25, fold I call. Tdd. He bets \$50 I call. River 7ddd. Check/check he wins w Kc 7c **what does a lead represent?**
16. Straddle.. limps me to \$20 AKcc BB calls call. Th 5s 8h. I check K7 bets \$75, btn calls he has \$1k
17. Limp I raise Q7ss sb calls call. Flop is 759ss. Limper leads 15 me to 85 sb calls and fold. Turn 3c X/X. River Qh. He fires \$150. I call crying he has 57 **tip \$1 lesson in hand reading..**
18. 75dd limp limp \$25 .. husband calls. Q98dss. X I check! (Delay spot) 2c. He checks I bet \$30 he folds.. (limped pair) **delayed Cbet**
19. EP Asian opens 2 calls \$15 and I call 44 in BB. Flop JJJ66 checked down river and pfr bets and everyone folds.

20. 3 limps this time I overlimp 75dd in button (also short stack from up front)  
tip \$2 **preflop concept**

21. AK to \$10, to \$60 w \$300 behind I shove he folds. **4 Bet all-in (breaking the pf threshold)**

## Notes and questions

7. How wide can you complete for 1 chip?

8. Tipping discussion and general quality of the dealers

11. how tight u can play to 7x opens and a discussion of small stakes and rake.

- this game the hourly would vary so much by the players and stakes. By hunting huge fish and getting in friend lists.

15. what does a lead represent??

- I wasn't straddling cause it might intimidate the game a bit. I first straddled then guy to my left Texan double straddled.. hourly is higher in a bigger game forgot that nonsense about effective stacks. Would I play w a 10x straddle where everyone has 10bbs of course if rolled and risk of ruin function.

18. notice use of K7 in notes.

- should I check to induce in these spots when this guy fired
- art of the delay

19. — people might miss bets on the flop with high pairs on three of a kind boards. no one ever check raising the river.

21. mental part

-(Comment about chopping)

-(accidentally said all-in in PLO dbl board
