

Episode 308+309: Ping's WSOP Main Event Day 2

(Part 1+2)

Day 2 Overall Experience

- Swingy day, start with 165k, low point around 75k, high point very last few hands of the night ended with 277.5k at 2400bb
- A few more "MTT" spots start to happen day 2 (preflop spots, rejam etc)
- Less "extremely recreational" types remaining but still plenty of recs
