

Episode 313: Brian and Ping's Farewell Episode- Recap of TS Topics, Live Poker Q&A and Final Thoughts

Topics:

Look back at our TopSection journey over the 2 year run

Brian started episode 191 (Sept 4 2019), Ping joins episode 196 (Oct 9 2019)

Looking back at 123 episodes total:

- Still relatively new to solvers - began using PIO and monker more frequently during start of podcast
- Multiway
- Monotone flops
- Quarantine modules (online poker focus) ep 226 - 240
- Transition back to live poker with new focus on GTO
- Blending GTO play with live feel

GTO vs Exploitative Play - our take

Live poker winrates (our experience throughout the stakes)

General state of live poker: Public vs private games

Live tells and general live feel

Conclusion and farewell
