

## Third Man Walking Podcast No. 41 “Self-Awareness in Poker and More on Cheating”

Your correspondent discusses whether self-awareness is a good trait for a poker player, then connects that topic to the recent spate of cheating allegations in the high-stakes community. From there, he examines what, if anything, can be done. In the second half of the episode, your correspondent reviews a recent late-night 5/10 session.

0:33 Self-awareness

5:10 Is it good to be self-aware in poker?

9:15 Why poker resists introspection

10:14 Why someone might cheat
