RUSTIC HEART PINE

CAROLINA CHARACTER FLOORING

CHARACTER HEART PINE FLOORS are distinguished by their timeworn surfaces marked with age and imperfections. Handcrafted artisan techniques combine a mix of delicately skip planed grain texture with the original patina saw marks. Character flooring comes with 60%-70% of the original surface. The amount of remaining original antique character surface can be controlled by sanding after installation, or we also offer a “light” character floor that only has roughly 30% of the original surface.
