

RUSTIC OAK

CAROLINA CHARACTER FLOORING

CAROLINA CHARACTER RUSTIC OAK FLOORS are distinguished by their timeworn surfaces, marked with age and imperfections. Handcrafted artisan techniques combine a mix of delicately skip planed grain texture, with the original patina saw marks. Character flooring comes with 60%-70% of the original surface. The amount of remaining original antique character surface can be controlled by sanding after installation or we also offer a “light” character floor that only has roughly 30% of the original surface.
