School Behaviour

Documents

At BIC Sa Porrassa, we have thought carefully around our school values and how they must underpin all of the behaviours we see in our school. In the documents listed below, we articulate how these values are shown in the conduct of our community members, how we respond to the behaviours we do and do not wish to see, and the routines we follow to ensure that our behaviour allows learning to take place.

Please see the documents linked below for further information.

[Behaviour Policy](#) - What are our values and what do they look like in staff, students and home support?

[Behaviours Outcome Descriptors](#) - How do we reward the behaviours we wish to see, and how do we respond to the behaviours which fall short of our values?

[Behaviour Rules, Regulations and Routines](#) - What are the specific routines, expectations and guidelines around the behaviour we expect from our community members?

This policy will be reviewed annually and adapted to meet the ever evolving needs and contexts of our school and the wider educational community.
