BIC Sixth Form Bulletin

(including university preparation for Year 10 and 11 students)

Key Dates going forward:

- No Study Leave. Sixth Form students are to keep going to lessons until the last exam
- **Monday 27th May:** A2 lessons start for current Y12 students; the beginning of Y13 studies.
- **Monday 17th & Tuesday 18th June:** Transition lessons for current IGCSE students going into Y12 next September. Students will have introductory lessons in the A Levels they have chosen for September.
- **Wednesday 19th June:** Last day of A2 lessons until September.
- **Thursday 20th June:** HE Day for current Y12 students. Universities from the UK, Germany, Holland and Belgium attending. Also during Period 4 we will have our formal end of school graduation ceremony for students and their parents (and our more informal celebration in the evening for students and teachers); more information soon.
- **Friday 21st June:** Social Day for current Y12 students. More information to follow.

Imminent courses:

An opportunity for students to kickstart their career in STEM with InvestIN's immersive work experience programmes this summer!

Students can choose from 10 exciting careers and work alongside top professionals to master skills such as problem-solving, teamwork, creativity & communication. This unique opportunity not only equips students with a **certificate** and a valuable **industry reference** but also empowers them to stand out in university applications.

We're committed to fostering diversity in STEM and inspiring the next generation of women leaders in the field. **Don't miss our next podcast episode** below exploring Women at Work and inclusion in the STEM sector!

View STEM summer programme timetables

Shadow medical professionals in a London hospital, trade the stock market from a skyscraper, design your own video game, take apart a petrol engine - and so much more!

University Information

Essex University in the UK has asked me to remind students and parents of their financial support programme for EU students:

Undergraduate EU Scholarship

The details

Level: Undergraduate

Country: EU

Year of entry: 2024-2025

Department: All departments (excluding East 15)

This scholarship scheme is for EU undergraduate students studying as new students in academic year 2024-2025, who are classified as international students for fees purposes. The awards offered are a discount of £5,000 for each year of full-time undergraduate study automatically deducted from your annual tuition fees invoice.

For more information, go to: <https://www.essex.ac.uk/scholarships/eu-scholarship>

Sheffield University, UK

2: Virtual subject special - 8 May. We'll be showcasing all of our undergraduate courses at a [special online event on 8 May](#). From Architecture to Zoology, sessions will cover the different topics studied on each course and the career opportunities available and there will also be Q&As. There are a host of other online events taking place every Wednesday until the end of August - a great way for final year students to get information about joining us later this year or for 16 and 17 year olds to get a headstart on researching their university options.

3: Applying before 30 June or after 5 July: Many of our courses remain open for applications via UCAS with a deadline of 30 June. After this deadline, if courses still have places available, then applications need to be made via a UCAS process called "clearing" and this will open on 5 July. We know it can be a little confusing, but we're here to help you and you can book a 1:1 with us to find out more.

Find out more about Sheffield's Virtual Subject day at:

<https://www.sheffield.ac.uk/study/online-events>

International Merit Scholarships

We offer a generous package of financial support for international students including 75 undergraduate scholarships worth £10,000 towards the annual tuition fee and 125 postgraduate taught scholarships worth £5,000 towards the tuition fee. Applications are now open for existing offer holders.
