OMEGA-3 EPA & DHA LIQUID

Presented in olive oil with a natural orange flavour, Vegetology Omega-3 Liquid provides a high dose of EPA & DHA, the bioavailable forms of Omega-3 that the body needs for optimum absorption. Created directly from microalgae grown in a lab, it is 100% natural and offers all the benefits of fish oil Omega-3 whilst taking away any of the safety, sustainability or purity concerns associated with fish sources.

Key Benefits:

- DHA contributes to maintenance of normal brain function.
- EPA and DHA contribute to the normal function of the heart.
- DHA contributes to the maintenance of normal vision.
