HECTOR FINCH

LIGHTING

CHIARA PENDANT LARGE

The Chiara glass shades are made for Hector Finch Lighting by the world renowned Murano glass factory, NasonMoretti.

Utilising alchemical and glass blowing skills that date back into medieval history, the firm of NasonMoretti has a reputation for combining modern designs of pure, clean forms in an extraordinary range of colours, which includes 22 greens and 8 blues!

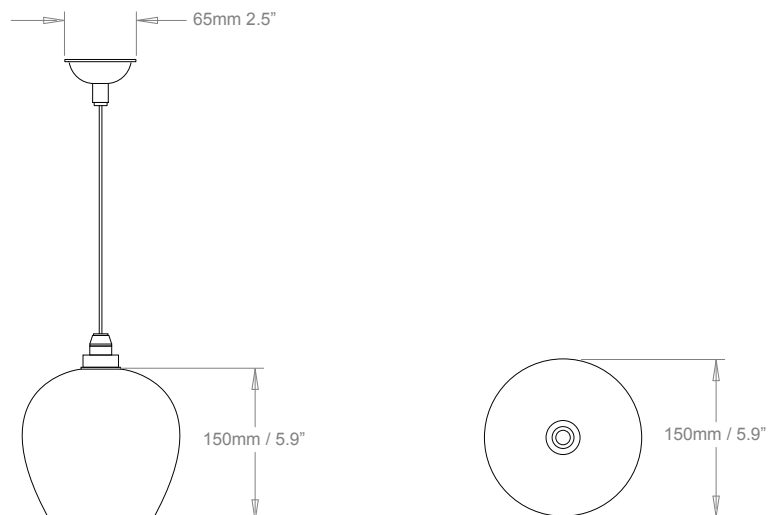

Hector Finch are proud to represent some of these wonderful contemporary glass products that utilise ancient artisan skills and to introduce these in to today's 21st century homes.
