ZEPELIN WALL LIGHT IP44

LAMP TYPE	UK/EU Integrated LED 225 lumens, CRI90, 2700K, 6 Watts with integral (Triac Dimming – Leading edge) dimmable driver.
FINISH OPTIONS	Brass Polished Lacquered, Brass Polished Unlacquered, Antique Brass (shown), Bronze, Chrome, Nickel Polished and Nickel Matte.
WEIGHT	1.4kg
ADDITIONAL INFORMATION	Please contact a member of staff if the fixture is to be used on a lighting control interface. Supplied with IP44 integrated LED as standard for use in zone 2 within bathrooms.
CLEANING AND MAINTENANCE INSTRUCTIONS	Metalwork: We recommend a light polish with a non-abrasive lint free cloth. Do not use any metal cleaning products on the fixture as it can remove the finish entirely. Unlacquered brass finish will patinate slowly over time and can be brightened to brass by the use of a brass cleaning agent. Glass: Remove the glass where it is safe to do so. The glass then can be cleaned with a glass cleaner and a lint free cloth. Do not spray glass cleaner directly on the glass or fixture as it could affect the metal finish. Ensure the light is switched off and take care not to pull the flex or allow water to come into contact with the electrical components. Regular dusting with a feather duster will also help keep the glass clean.
