ATHENA LANTERN ON POST MOUNT LARGE

LAMP TYPE	US 1 x Osh Lamp with 33W (Max) G9 halogen
FINISH OPTIONS LAMP	Antique Brass (shown), Black and Zinc.
FINISH OPTIONS BRACKET	Black (shown) and Galvanized Steel.
SIZE & SIMILAR OPTIONS	Athena Lantern On Hoop Bracket (WL470) and Athena Wall Lantern (WL430).
ADDITIONAL INFORMATION	Suitable for indoor and outdoor undercover use. The Zinc finish is made out of sheet zinc which is then acid washed to achieve a matte finish while the Galvanized Steel is a protective zinc coating to steel.
CLEANING AND MAINTENANCE INSTRUCTIONS	<p>Glass: Remove the glass where it is safe to do so. The glass then can be cleaned with a glass cleaner and a lint free cloth. Do not spray glass cleaner directly on the glass or fixture as it could affect the metal finish. Ensure the light is switched off and take care not to pull the flex or allow water to come into contact with the electrical components. Regular dusting with a feather duster will also help keep the glass clean.</p> <p>Metalwork: We recommend a light polish with a non-abrasive lint free cloth. Do not use any metal cleaning products on the fixture as it can remove the finish entirely. Unlacquered brass finish will patinate slowly over time and can be brightened to brass by the use of a brass cleaning agent.</p>
