

## Dive into the Life of the Sister Islands Rock Iguana: Pre-Questionnaire

Full Name: \_\_\_\_\_  
School: \_\_\_\_\_

Date: \_\_\_\_\_  
Age: \_\_\_\_\_

**Part One: Please circle ALL the correct answers to each question. There may be more than one correct answers. If you do not know the answer then please circle D, "I don't know".**

What is a SIRI?

- A. Sister Island Reef Industries
- B. Sister Island Rock Iguana
- C. Super Important Reef Islands
- D. I don't know

Why are SIRIs tagged?

- A. To track individual animals
- B. It is fun
- C. To collect important data to monitor their health
- D. I don't know

Why are SIRIs important?

- A. For ecotourism
- B. They eat the wild chickens
- C. They disperse seeds on the sister islands
- D. I don't know

What is ecotourism?

- A. Tourism involving well developed largely populated areas
- B. Tourism involving relatively pristine untouched natural environments
- C. All tourism is ecotourism
- D. I don't know

What are some threats SIRIs face?

- A. Free-roaming dogs and feral cats
- B. Reckless endangerment
- C. Land development
- D. I don't know

What is an invasive species?

- A. A species that is at a serious risk of extinction
- B. A species that is the first to colonize barren environments
- C. A non-native species introduced to an ecosystem that often outcompetes native species
- D. I don't know

How are green iguanas impacting SIRIs?

- A. They compete with the SIRIs
- B. They are predators of the SIRI
- C. They aren't impacting SIRIs
- D. I don't know

How are invasive species introduced?

- A. They stowaway on ships and planes
- B. Invasive species are not introduced
- C. Through the pet trade
- D. I don't know

What can you do to keep SIRIs healthy?

- A. Be responsible with your pets
- B. Be aware when you are on the road
- C. Participate in local efforts to keep the green iguana population down
- D. I don't know

Why is it important to keep SIRI populations healthy?

- A. To reduce the local cat population
- B. To keep the wild population alive
- C. To prevent collapse of local ecosystems
- D. I don't know

**Part Two: Following are statements concerning how you feel about different things and people. You will see that there is no right or wrong answer for each of these statements and we are only interested in your honest opinion. Please indicate how you really feel by circling the number which represents your feeling.**

- 0 - I don't understand
- 1 - I definitely disagree
- 2 - I disagree
- 3 - I neither agree or disagree
- 4 - I agree
- 5 - I definitely agree

I would like to go snorkeling and look at all the different fish and corals	0	1	2	3	4	5
I want to discover new marine life	0	1	2	3	4	5
I am happy when I see lots of animals in the ocean	0	1	2	3	4	5
I want to protect coral reefs	0	1	2	3	4	5
I want to protect mangroves forests and seagrass beds	0	1	2	3	4	5
I would like to know what fish I can eat without harming the ocean	0	1	2	3	4	5
I would like to take part in beach clean ups	0	1	2	3	4	5
I would like to help stop climate change	0	1	2	3	4	5
I want to discover more about the ocean	0	1	2	3	4	5
I would like to be a marine scientist when I grow up	0	1	2	3	4	5
