All starred programmes qualify for a £1000 subsidy for each class in the first year group you buy in for.

Recorder* £1300 per class for 14 weeks or £2000 per class for 28 weeks
Not just a perfect first instrument for young children. Our recorder programme will teach your children rhythm, musical notation, improvisation, posture and so much more! We can also provide continuing opportunities using all the sizes of recorders.

Ukulele* £1300 per class for 10 weeks or £2000 per class for 28 weeks
Join the ukulele revolution and have lots of fun learning to strum chords, pluck melodies and sing.

African Drumming* £1600 per class for 10 weeks
Two of our fantastic African drumming tutors come to your school to teach this dynamic and active African Drumming programme. Lots of fun for everyone involved.

Samba* £1600 per class for 10 weeks
Your pupils can let off steam with our high energy Brazilian Samba programme. Two tutors work with your chosen classes for 10 weeks exploring the wonderful world of Samba.

Strings* £3400 per class for 28 weeks
Our strings programme is recommended for Years 4-6 and teachers children to play the violin as well as rhythm, musical notation, improvisation etc. An excellent way to introduce orchestral playing to the children in your school.

Brass* £3400 per class for 28 weeks
Fill your halls with the sound of trumpets and trombones with our brass programme. Two tutors make sure every child in the class learns the techniques involved in learning these instruments whilst also making each lesson fun and varied.

Woodwind* £3400 per class for 28 weeks
Choose between flute and clarinet (or even 1 class of each) in our woodwind programme - another brilliant introduction to an orchestral instrument. This programme is enjoyable, high-paced and fun!

Early Years £1300 per class for 14 weeks
Start them young by buying in expert tuition for your Early Years classes. Each lesson is perfectly planned for early years children giving them the basic musical skills they can build on in later years. Lessons involve a lot of games, singing and percussion instruments.

Rock and Pop £2000 per class for 5 weeks
Bridge the gap between KS2 and KS3 and give your Year 6 children the opportunity to learn the skills needed to perform in a Rock and Pop band. Culminating in a live performance, this is the perfect post SATs transition project for your Year 6 children.

Curriculum Partnership Programme £1000 per school per year
This does not include the cost of the tutor who you would pay separately.
The quickest way to get your whole school participating in high quality music lessons every week. We will provide you with a specialist music tutor to cover the whole school's music lessons. We provide on-going training for the tutor, find replacement if necessary, provide in-school support and observations and instruments for use in the lessons.

After School/Lunchtime Clubs £840 per club for 14 weeks
A great way of giving more music to the children who want it. These sessions can be tailored to your needs whether that be a choir, a ukulele club or your very own orchestra!
