# Curriculum Partnership Programme

The Curriculum Partnership Programme (CPP) was founded in 2008 by Denise Barber, Head of Southwark Music. The CPP is a partnership between Southwark Music and Southwark primary schools, providing consistently excellent music lessons delivered by carefully selected specialist music tutors. The CPP is now in 26 Southwark primary schools and reaches over 4000 children a week.

Supported using public funding by

**ARTS COUNCIL

## What will our school receive when we join the CPP?

- A specialist music tutor selected by Southwark Music and carefully matched to your school's needs
- A comprehensive music curriculum scheme of work, written by Denise Barber
- Your music tutor would be trained, mentored and assessed by Southwark Music throughout their time at your school
- Loan of percussion instruments worth £800 for the children to play
- The tutor would receive constant access to regularly updated resources, CPDs and a close network of other music tutors to share ideas with
- Your school would be offered an annual Music in the Classroom CPD for all of your class teachers.

**How much does joining the CPP cost?** £1000/year

**What rate will the CPP tutor charge the school?** We recommend £200/day, £40/hour

**How many days will the CPP tutors visit our school and how long will each music lesson be?** This is completely up to you. The size of your school and the year groups you'd like taught will dictate the amount of hours of music lessons you have - most schools choose between 1-3 days of music lessons a week. We recommend the following lesson lengths: 45mins for EYFS, 45-50mins for KS1, 50-60 mins for KS2

**Will our CPP tutor be able to reflect our school topics in their music lessons?** Yes, there is flexibility within the scheme of work to reflect your school's topics and core beliefs. Each term consists of 5 set lessons which leaves room for differentiation, extension and development of each lesson to suit the pupil's individual strengths

**Will our CPP tutor teach instrumental lessons too?** We can find a tutor to teach whichever instruments you would like. Ukulele and Recorder are often taught as companion instruments within the CPP scheme, and CPP tutors can also provide keyboard, drumming, choir etc. either as after school clubs or within their curriculum music lesson. If there are instruments your CPP tutor doesn't specialise in, do look into our Whole Class Ensemble Teaching programme, which can include tuition in violin, brass, samba and African drumming alongside your CPP provision.

We'd love to discuss your school's music provision further and help tailor the CPP to your school's musical needs.
