

FEEDBACK

Feedback is central to improvement. But we have to be mindful of how we give feedback to children. Here are some of our top tips:

Keep it simple.
Focusing on
one element!

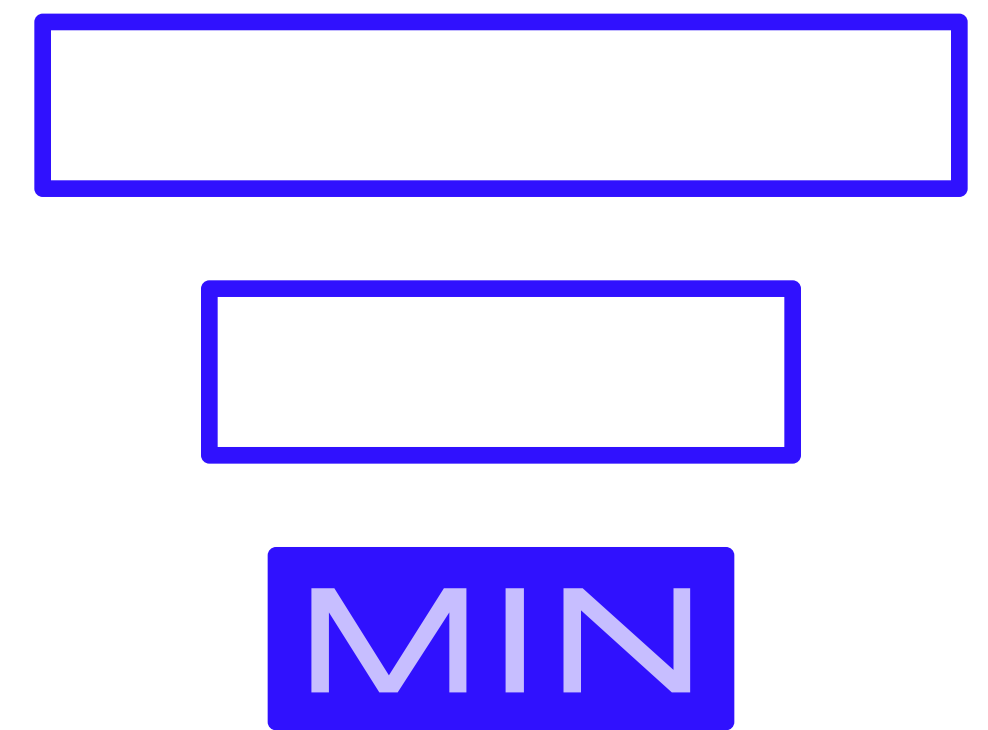

Catch them
being good!
Praise is
very powerful!

01

Keep it to
a minimum!

03

Keep it positive.
Remove all
negative
emotions and
don't make
it personal.

05

Keep it
solution-focusd.
Tell them what
they need to do,
not what they have
to stop doing.
