

MedCerts

A Stride Company

A Better Career. **Faster**

WELCOME TO THE MEDCERTS FAMILY,

We're so excited that you are taking the first step toward an exciting future.

Since 2009, MedCerts has been helping students like you create a better career and join the workforce without the burden of debt. You are one of nearly 40,000 individuals who have trusted MedCerts to help you on your journey; we are honored that you chose us and can't wait to help you succeed!

YOU are the real hero of your education journey - we just provide the cape! However, your commitment is necessary for you to be successful, which means dedicating at least 15 to 20 hours a week to your coursework.

Your MedCerts program is delivered online with 24/7 access, but you are never alone in your learning. Your Student Success Advisor is standing by to offer subject matter support, professional guidance, technical support and general assistance throughout your training.

MedCerts programs are designed to provide you with the knowledge and expertise required to successfully pass the National Certification Exam(s). Our comprehensive training includes practice exams from the issuing authority and tools to best prepare you for career success. We are truly with you all the way!

Again, we'd like to welcome you and wish you good luck as you embark on the exciting journey to your new career and life!

RESPECTFULLY,
