

# Florida Dental Assistant Requirements

Certification or approved/accredited training is not required for entry-level Dental Assistant jobs. MedCerts graduates set themselves apart in a competitive job market by demonstrating to employers that they hold the knowledge and skills required for job - as proven through graduation and certification.

There are often additional job titles recognized by each state's board of Dentistry, each having requirements different from what is shown below. The most closely associated job title for qualified MedCerts graduates is shown within this document. For simplification and display purposes, the shortest or simplest pathway to eligibility as a MedCerts graduate is shown along with any additional requirements beyond program completion and/or certification.

Applicants are encouraged to visit the [Florida Board of Dentistry](#) for additional information.

## Immediate Eligibility & Scope of Practice

**Is dental assisting certification REQUIRED for entry level? NO**

**Entry Level Florida Dental Assistant Job Title:** On-the-Job Trained Dental Assistant<sup>1</sup>

**Will I be eligible for certification after completing my program through MedCerts? YES**

- MedCerts' Dental Assistant program has been reviewed and is approved by the American Medical Technologists (AMT) board, which upon completion qualifies the graduate to attempt the Registered Dental Assistant (RDA) Certification Exam.<sup>2</sup>

**Can I take dental X-rays? YES,** after completing 3 months of on-the-job training you will be eligible to take a Florida-approved radiology course, which must be completed within the twelve months following on-the-job training.<sup>3</sup>

**What else can I do as a FL On-the-Job Trained Dental Assistant?** Each state develops their own State Practice Act which defines the allowable duties by title.<sup>4</sup>

### Post-Graduate/In-Field Career Advancement Opportunities

*Dental Assistant Formally Trained in Expanded and/or Restorative Functions<sup>5</sup>*

- Attend CODA-Accredited training in expanded functions/restorative functions or complete a Florida Board-approved formal training program
