India Pale Ale

7% ABV

When we expanded our brewery in 2013, the stress was something, to say the least. I ran out of creative juice for a minute so I decided to have another one for inspiration.

Aromas of pineapple, mango, and guava with notes of orange, grapefruit, and melon. Undertones of earthy, woody pine, and faint onion and garlic.

Cascade, Citra, Simcoe

American 2-Row, Red Wheat,
Carapils
