

Thank You 2024

India Pale Ale

6.2% ABV

Thank You is an IPA brewed with a different recipe each year, dedicated to all who enjoy our beer. Without you, our commitment to nonprofit partners who champion animal protection, climate action, community service, equity and inclusion, land preservation, and outdoor recreation would not be possible.

Our 1% for the Planet giving, combined with guest donations, allows our support of nonprofits to grow each year, exceeding \$3,000,000 since 2009.
