

RANGE A FABRICS

Edition. 003

information pack

INTRODUCTION

At Inside Out Contracts, we are able to specify and upholster furniture from any fabric you desire providing it is suitable for commercial use. We also offer great price-matched quality focused ranges to help guide and simplify the ordering process; it's as easy as A, B, C.

Range A fabrics feature the most cost-effective fabric options available. This carefully selected range features true value for money contract fabrics in large colourways that do not compromise on quality. Including vinyl, faux leather, woven and high performance fabrics, this range covers applications for both heavy and light contract environments. Please see individual fabric collections for further information such as composition, fire retardancy and extra performance benefits.
