

## Field Grain Series Hopper Rye

*Granor's inaugural Field Grain Rye, distilled entirely from certified organic heirloom Hazlett Rye grown on the farm. The 2021 vintage was shaped by a late spring freeze and a dry growing season, yielding a smaller harvest with concentrated flavor of spice, nuttiness, and caramel. Aged four years in Michigan-made new white oak barrels, capturing the complexity of the grain and the story of a challenging season. Very limited availability—our first-ever Rye Whiskey.*

**95 Proof | 750 mL**

**AGE: 4 years**

**PRODUCED: 564 bottles**
