

Hubbub: Nature Video Montage

Competition and montage T&Cs

The background

This year, Hubbub and Starbucks funded 100 Nature Hubs: community green spaces across England, Scotland and Wales bringing nature closer to people, and people closer to nature.

To celebrate this, we're creating a montage video to celebrate the 100+ weird and wonderful reasons we all have to spend time in nature and green spaces whether they're...

- Wholesome (e.g. to volunteer for your community),
- Relatable (e.g. to get some headspace),
- Funny (e.g. to stare at ants and imagine how you'd get on if you were an ant),
- Trivial (e.g. to get kudos on Strava),
- Or unexpected (e.g. to juggle rubiks cubes).

We're asking for your videos / clips of people that celebrate the variety of reasons we have to visit and spend time in nature **by Sunday 11th May**. If selected, they'll feature in our crowdsourced montage video and you could win a prize.

If featured, you could win a prize for:

- The clip that made us laugh the most
- The most wholesome clip
- The most unexpected clip
- The most unique reason to spend time in nature
