

Thank you for your interest in becoming a Chapter One volunteer reader!

Chapter One want to create a world where all children have the literacy skills needed to thrive. By signing up to be a reading volunteer you can help provide one-to-one reading support to a child at the time they need it most.

Please watch the [Chapter One video](#) to find out more.

These are your next steps:

- 1) Please go to [Chapter One Registration](#) and create an account using your company email address
- 2) As part of registration, you need to select a **volunteer group** aligned to your company (*these volunteer groups show the school locations that your company have decided to support*)
 - **KPMG - Manchester**
 - **KPMG - Scotland**
 - **KPMG - England**
- 3) Complete information about your commitment and book training
- 4) You will receive the following emails:
 - a) Welcome email
 - b) Training session confirmation, with calendar invite to download
 - c) Background check link from uCheck, the accredited provider which Chapter One uses to process checks (*unless you are a returning volunteer with a valid check from last year, in which case the system will 'know' this!*). ***If you do require a background check, please complete this asap***

*Consistent reading is very important to your pupil's reading success - we're keen for volunteers to read regularly with their pupils for **25 sessions or more** over the academic year (October - July).*

To find out more about your volunteering role with Chapter One and to see a live demo of the platform please drop into one of the Zoom [Chapter One Lunch and Learn Sessions](#)

Thank you for your support!
