Great British Food Night 1.0

Our first Great British Food Night of the year was a huge success with a sold out Paddock restaurant enjoying the three course meal. We even had staff members from our sister track, Monmore, come to enjoy the night. All feedback was very positive and due to high demand we've got the 2nd Great British Food Night taking place on Wednesday 7th May - already sold out too!

Entain have started an initiative to help re-home our furry friends in North America. They will help with the organising of the flights and placement as well as contributing financially. No stone has been left unturned with the research that has gone into this. The rehoming centres in North America have been fully vetted and care as much for this wonderful breed as we do. If you're interested in using this initiative, please speak to your trainer or contact the racing office. Both will be more than happy to talk you through any concerns or issues you may have.

As always we say a huge 'thank you' to our affiliated homing centres who do their absolute best to find forever homes for our retired greyhounds. The work they do is fabulous and they work so hard to make everything work out. Thank you x
