

# imaginepools® The Glimmer™

With a striking crescent shape and integrated spillover, Glimmer makes a bold visual impact. The infinity edge adds luxury, while the flat-bottom layout and submerged bench create a perfect space for socializing, lounging or play. Beauty and balance define this unique backyard centerpiece.

- + Eye-catching crescent shape with built-in spillover creates a show-stopping centerpiece
- + Infinity edge design adds a luxurious touch while enhancing the visual flow of water
- + Flat bottom layout is perfect for socializing, water games and easy lounging
- + Submerged bench seating offers a cool, in-water retreat for relaxation or conversation
- + Striking curves and symmetry deliver both beauty and balance to your outdoor space
