Accelerator

Transforming Work with Intelligent Automation

The know-how to transform your business into a digital first company with a unified digital and human workforce.

What is a Success Accelerator?

Discover new ways to grow your business through operational efficiencies, improved customer satisfaction, revenue opportunities and more to accelerate the timeline for achieving the vision of what a digital workforce can do for your business.

Why choose Transforming Work?

This valuable accelerator package is designed to take intelligent automation to the max and use it as a strategic lever to truly transform into a digital first company and design digital and physical experiences alongside one another. This offering stretches beyond the limits of intelligent automation to imagine what could be with deeper integration of AI and ML tools into automated processes.

What to expect:

- Mentoring for 20 team members
- Approximately 12 months' duration
- Up to 250 days of Blue Prism resources
- Detailed review and improvement guidance for 100 production automations
- Assigned Customer Success Manager
- Blue Prism Executive Sponsor

VALUE AND OUTCOMES:

- Support the deployments of more than 300 digital workers
- Access to a myriad of complementary technology in the ecosystem that interact seamlessly to create your digital workforce.
- Intelligent ROM™ Assessment
- Business Review and Value Assessment
- Quarterly account and product roadmap reviews
- Expert resource working with you on strategy, value creation, and organizational change management.
