### **IMPORTANT UPDATE**

The proposal deadline for this project has been extended to **2:00 p.m. CST on May 8, 2024**. The question deadline remains unchanged.

### **QUESTIONS | ANSWERS**

1. On page 7 of the Beverage Supplier RFP, I see the product usage. I am wondering if you could share a breakdown of the usage by flavor for each package? **The Zoo cannot release information on specific products as requested due to the confidentiality agreement in our current beverage contract.**
2. With the question deadline being April 24, 2024 we would appreciate it if we could extend the proposal submission deadline to May 15, 2024 so that we can have ample time to review the responses to our questions and our RFP response properly addresses the Zoo's answers to those questions, wholistically. **See update above.**
