**QUESTIONS | ANSWERS**

1. Will there be specific phasing of the work? **Not all crossings can be down at one time. Phasing of multiple at a time is possible and will be determined post awarding of the project.**
2. Are there load restrictions on any of the pathways? **The pedestrian pathways in River’s Edge are 6’ wide.**
3. Will work be required to stop when the train runs by? **No specific requirements.**
4. Are there work hour restrictions? **There is a potential to work before or after regular working hours, yet these must be arranged.**
5. How far must the asphalt patching extend? **This is part of the alternate. Please bid as your company determines necessary.**
