Addendum # 2
Jungle of the Apes Interior Painting RFP 2024
Project Number: 2024-01-024

From: Candace Bingham, CSDP
      Director of Procurement and Supplier Diversity
      Saint Louis Zoo
      1 Government Drive
      St. Louis, MO 63110
      cbingham@stlzoo.org

QUESTIONS | ANSWERS

1. After reviewing this coating system with our PPG representative, he stated that for a fully clear system from primer to finish coat, the system would need to be the following:

   - Primer Coat- Milamar Coatings PM400 8 to 10 mils WFT
   - Finish Coat- PPG 2550 Waterborne Urethane Coating 5 to 6 mil WFT
   - The current specified system will not be clear through to the concrete. Please let me know if it will be acceptable to use this system instead. After looking into this concern, it appears the originally specified coatings will not give the transparent look the Zoo intended. Please plan to use the above highlighted products in place of the original ones. The performance should be the same.

2. Do you require a bid bond for this project? No bid bond is required. However, a performance bond is required if the total proposal exceeds $75,000.
