Resources and Training

Fox Factory Offers Grants through its Trail Trust Program

Fox Factory created Trail Trust to provide grants to organizations helping to preserve the places they love to play. The goal is to bring together diverse communities to build, maintain, and expand access to trails. In short, they want to make sure that the thrill of the ride can live on forever. [Read more...](#)

Featured Trail Job: Trail Artists with Singletrack Trails

Trail Artists are responsible for the safe implementation and construction of Singletrack

Trails construction projects. This includes completing projects unparalleled in quality and timing without compromising the safety of the project, yourself, or your coworkers. Trail Artists will report to project sites on time; assess expectations for the overall project, the weekly objective, and the daily tasks and fulfill those expectations, completing final work product matching design plans and Field Lead/Project Manager instructions.
