## Featured Trails

National Recreation Trails (NRTs) are existing land-based and water-based trails that provide close to home recreation opportunities on Federal, State, and local lands. These two NRTs are walking/driving tours that point out famous black history sites in Columbus, Georgia and Washington, D.C.

### Washington D.C. Black History National Recreation Trail

The Washington D.C. Black History National Recreation Trail was originally created as an Eagle Scout project. The trail uses city streets and is maintained by the District of Columbia City Government and the National Park Service. [Find out more >>](#)

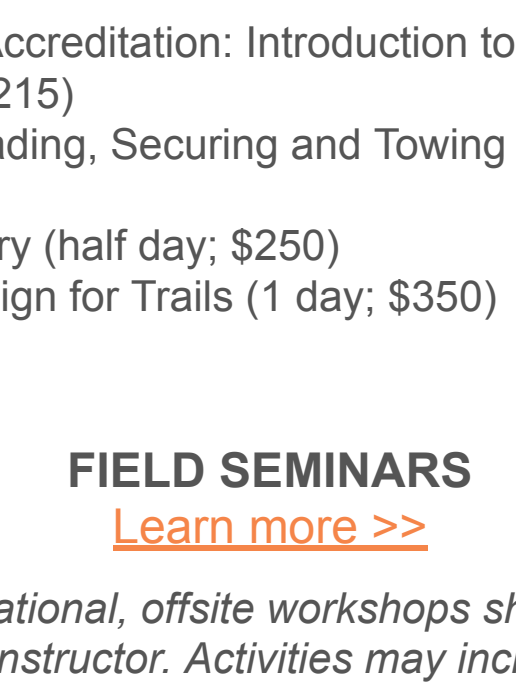

This month American Trails also highlights the Selma to Montgomery National Historic Trail. National Historic Trails are designated to protect the courses of significant overland or water routes that reflect the history of the nation.

### Selma to Montgomery National Historic Trail

Established by Congress in 1996, the Selma to Montgomery National Historic Trail commemorates the people, events, and route of the 1965 Voting Rights March in Alabama. [Find out more >>](#)

## Trails and Conservation

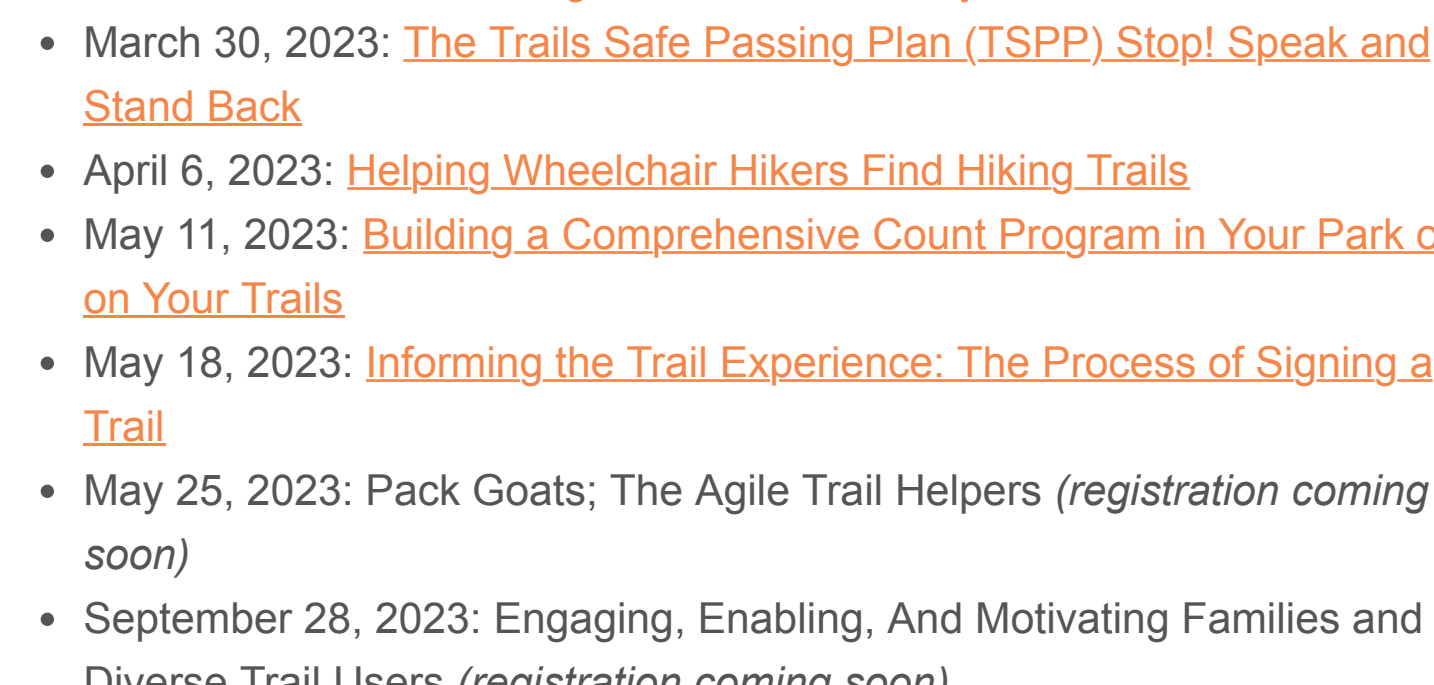

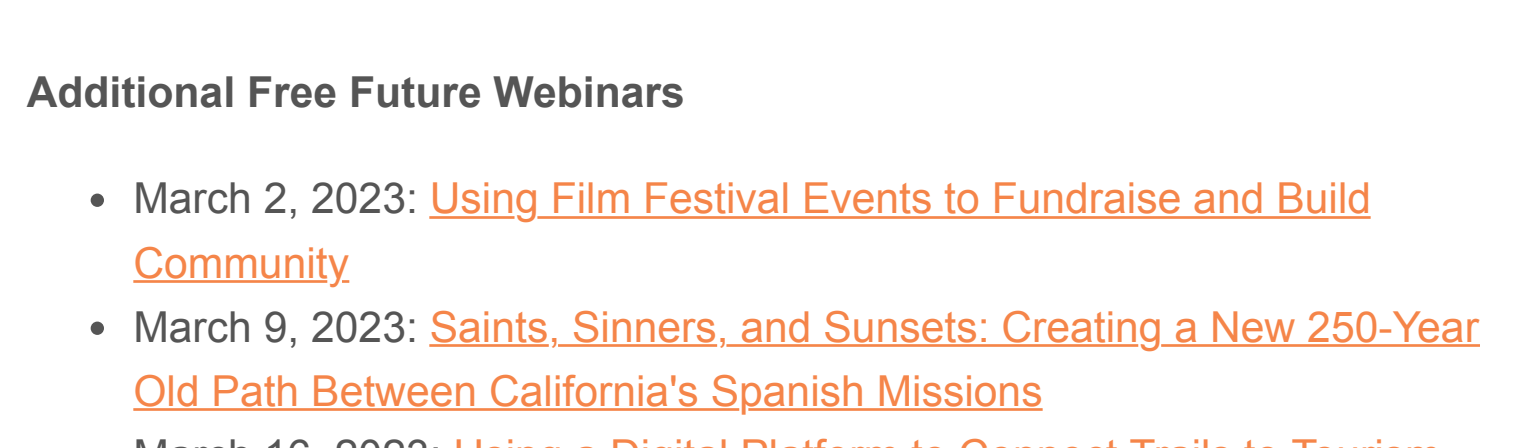

### Trails Community FY24 Appropriations Recommendations

February 12-18, 2023 trail partners from across the nation will come together in Washington, DC to advance shared trail priorities that sustain trails and improve access to public lands, advocate for legislation, learn about new policies, and meet with federal partners, elected officials and their staff, and fellow trail organizations. [Hike the Hill®](#) is a joint effort between [American Hiking Society](#) and [Partnership for the National Trails System](#). [Find out more >>](#)

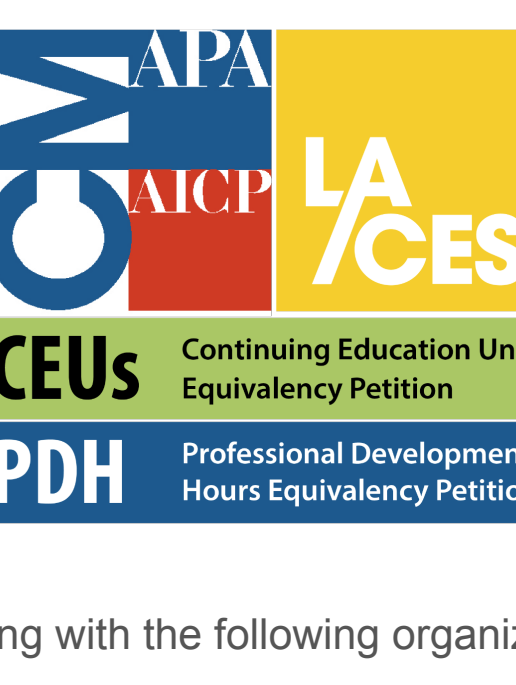

### "Love the Stars" in February

Do you like to stargaze? Trails in rural and wild places provide access to dark skies which are imperiled by light pollution from increasing urbanization. Support the International Dark Sky Association and Globe at Night by sharing your observations of the night sky in February. [Find out more >>](#)

### Become an Exhibitor; Over 92% Booth Capacity

Be an exhibitor and a part of the Trail Hub that is in the center of the action, next to the registration area and where all food will be served including two Happy Trails Hours. Trail Talk networking opportunities take place in the exhibit hall and will provide optimal time to connect with attendees. Sponsorship opportunities are still available. [Find out more >>](#)

### Register for Offsite Workshops Before They Fill Up! New Workshops Added

These are all optional and an additional fee. You must be an attendee in order to register for these workshops. First come, first serve (some workshops are full). Times include transportation to and from the Nugget to the trail location.

#### TECHNICAL TRAINING WORKSHOPS

[Learn more >>](#)

*Technical Training Workshops are in-depth, hands-on workshops that include classroom and, in some instances, field experience on local trails. Attendees may have the opportunity to use heavy equipment/trail tools which would be noted in the workshop description. These workshops are mostly led by PTBA members, between a half day and two days in length, and take place pre and post-ITS.*

#### Highlighted Technical Training Workshops (this is not a complete list):

- Green Flag Trails Accreditation: Introduction to International Trail Auditing (2 days; \$215)
- Safe Trailering: Loading, Securing and Towing Your Trail Equipment (half day; \$125)
- Equipment Recovery (half day; \$250)
- Initiation to UX Design for Trails (1 day; \$350)

#### FIELD SEMINARS

[Learn more >>](#)

*Field Seminars are educational, offsite workshops showcasing the local trails led by a knowledgeable instructor. Activities may include any of the following: hiking/walking, biking, horseback riding, OHV riding, rafting/kayaking, etc. These half day field seminars take place in the mornings and afternoons during the concurrent session time slots on April 18 and 19.*

#### Highlighted Field Seminars (this is not a complete list):

- Truckee River Kayak Adventure (half day; \$25; advanced level)
- Adaptive Mountain Biking Introduction (half day; \$25; beginner level)
- Tour of Sutter Trail Dozer/Attachments Manufacturing Facility (half day; \$25)
