Why Trails Matter:
International Trails Summit in Reno Breaks Attendance Records!

The International Trails Summit (ITS) was a huge success, breaking records as the largest summit to date. It brought together over 900 attendees from 20 countries and 47 states. The Summit featured two full days of concurrent sessions in the classroom and an extended pre and post-event schedule with hands-on workshops in the field, as well as an offsite field day on Thursday featuring demonstrations of heavy machinery, adaptive bicycles, trail auditing
on Thursday featuring demonstrations of heavy machinery, adaptive bicycles, trail auditing using digital platforms, horse and goat-packing demonstrations, and more. In addition, the World Trails Film Festival had its North American premiere as part of the Summit's evening offerings. You can access the presentations and conference proceedings list from presenters who shared their presentations, view the photo gallery, and more.

**2023 ITS Impact Report**
We gathered feedback and shared an evaluation with all ITS participants. 97% of those surveyed reported being very satisfied or satisfied with their experience at the Summit! [View the Impact Report ››](#)

**Trail EAffected Podcasts**
Thanks to Trail EAffected we have podcasts for the following ITS presentations!

- Luther Propst - Keynote Speaker
- Martha Becton "She Saws"
- Greg Mazu "Value of a Professional Dirtbag" Part 1
• Drew Pollak-Bruce "Value of a Professional Dirtbag" Part 2

**2023 ITS Photos**

From outdoor field sessions, indoor plenary sessions, and all the events there are some great moments captured by our photographer and others that shard their photos with us. [View the gallery ››](#)

**2025 ITS Location Announced**

American Trails and the Professional Trailbuilders Association are excited to announce that we will be partnering for another ITS in Madison, Wisconsin. Please mark your calendar and join us April 14-17, 2025 at the [Monona Terrace Community and Convention Center](#) (a Public Place by Frank Lloyd Wright) on the shores of Lake Monona in Madison, Wisconsin. Given the huge success of our 2023 event, you won’t want to miss it!
Funding and Legislation

Proposed $2.8 Billion in Funding for Fiscal Year 2024
The Departments of Agriculture and the Interior have announced a proposed $2.8 billion in funding authorized by the Great American Outdoors Act to improve infrastructure, recreation facilities, federal lands access, and land and water conservation. Find out more ››

Legacy Trail Program
We are excited to share more information about our 2023 Legacy Trail Grant Program awardees. In the first year of this program, we funded a total of $1.35 million to 33 organizations. Find out more ››

The Trails Capacity Program Receives $10K From Maverik
This support from Maverik’s Outdoor Enrichment fund will be designated for American Trails’ Trails Capacity Grant Program projects in 2024. The program is for trail projects that feature outdoor educational experiences such as stewardship training and outdoor experiences for at-risk or minority groups in the 12 states where Maverik operates. Find out more ››
The 2023 ITS hosted 12 sessions on various global trail projects! Here are three presentations that are available to share. For more information, you can also search by the individual trail project.

**Israel Bike Trail: Sustainable Desert Trail**
The Israel Bike Trail is a 1,200 km long mountain bike trail that is planned and built by the Israel Nature Reserve Authority and sponsored by the Israel Tourist Office. This presentation describes the art of desert trail building in Israel Negev. [Download the presentation ››](#)

**Panama’s 1,000 KM of Trails Project**
Panama is committed to transforming itself into an adventure tourism destination. In early 2021, the country’s Tourism Authority launched the 1,000 KM of Trails Project. [Download the presentation ››](#)

**Jamaica Blue Mountains Trail Project: First 30 Months and Vision of the Future**
This presentation will showcase trail development and planning efforts in the rugged Cloud Forests of Jamaica’s Blue Mountains National Park and its buffer zone communities, aimed at
increasing Jamaican and international eco-tourism in this beautiful region. Download the presentation »

**National Recreation Trails (NRTs)**

NRTs are existing land-based and water-based trails that provide close-to-home recreation opportunities on Federal, State, and local lands in all 50 states, the District of Columbia, and Puerto Rico. Over 1,300 of these trails have been designated throughout the nation.

**Featured NRT: Joe’s Canyon, Arizona**

This three-mile trail begins on Coronado Peak and ends at the Coronado National Memorial Ranger Station. Find out more »

![Image of NRT logo]

**Nine New NRTs Added to the National Trail System**

U.S. Secretary of the Interior Deb Haaland announced the designation of nine new NRTs in nine states, adding 340 miles to the national recreation trail system. Find out more »
NRT Database Gets a New Look
The NRT database has been updated with a fresh new appearance. You can conveniently access all the information you need about NRTs and National Water Trails, apply for NRT designation, or even make updates to an existing trail from one location! Find out more ››

Training and Resources

Mountain Bike Trail Development: Guidelines for Successfully Managing the Process
The world’s most comprehensive mountain bike trail development resource is made possible by Minnesota Clean Water, Land, and Legacy Funds. Find out more ››
National Off-Highway Vehicle Conservation Council (NOHVCC) Announces New Executive Director

The NOHVCC Board of Directors has selected long-time Project Manager/Program Director Marc Hildesheim as the next Executive Director of the organization. Find out more ››

Native Lands, National Trails (NLNT) Indigenous Mapping and Research Project

NLNT is an Indigenous mapping and research project of the Partnership for the National Trails System (PNTS). In collaboration with the Bureau of Land Management, Native Land Digital, and Ancestral Lands Conservation Corps, PNTS is pleased to present a suite of resources designed to inform the public and help National Trails and their nonprofit organization partners to advance National Trails System’s knowledge of Indigenous Ancestral Lands.
