ADVANCING TRAILS WEBINAR SERIES

View the Advancing Trails Webinar Series homepage for a complete list of upcoming webinars (and a list of all of our archived webinars in case you missed any).

All webinars are streamed live on YouTube and available for viewing at any time.

THANK YOU FOR ANOTHER FANTASTIC YEAR OF WEBINARS!

We appreciate all of our attendees, sponsors, and partners of our webinar series in 2023. In 2023 alone, we hosted 40 webinars with over 24,000 attendees (not including the hundreds of downloads of webinar recordings every month), set a record of our highest attended webinar to date with 1,600+ attendees, and in the last week of 2023 had over 350 downloads (which is normal for an entire month).

Upcoming Webinars in January:

- January 11: Risk Management During Trail Construction
January 18: The Third Mode Bonus Chapters: Progress in Walking, Bicycling, and Micromobility for Transportation
January 25: The Path to Mental Health: Using Trails to Equip Healthy Communities

Future Webinars (with Confirmed Dates):

- February 1: Volunteer Recruitment (registration coming soon)
February 8: Systemic Condition Analysis and Management for Multi-Use Trails
February 15: Trail Sector Research with Trans Canada Trail
February 22: Trails Are Rural Economic Drivers
February 29: Trail Assessment for Accessibility and Sustainability (registration coming soon)
March 14: Cultural Landscape Training Framework
March 28: Six Steps to Build a TrailNation™

Registered attendees will receive an email with a link to the recording, transcript, resources slide with presenter contact details, and learning credit information within two days following each live webinar (or in a confirmation email for archived webinars).
