**TAKE A KID MOUNTAIN BIKING DAY**

## Take A Kid Mountain Biking Day

Sunday, October 3, 2010

Redding Mountain Biking Club, in association with the Bureau of Land Management, is hosting its annual Take A Kid Mountain Biking day on Sunday, October 3 at the Swasey Recreation Area.

**Bike With Us!**

This free event will begin at 9:00 A.M. with groups departing regularly until 9:45. There will be routes for all skill levels, including those who've recently had their training wheels removed.

Bicycle mechanics will be available, however, all participants should pre-check their bikes prior to arrival. All riders must wear a helmet. RMB will have a small number available to give away.

This event is an opportunity for adults to share the joy of a simple bike ride with a youngster loved one. It also showcases the magnificent Swasey Recreation Area. Don't forget there is a free BBQ celebrating our volunteers. From Redding, travel west on Hwy. 299 to Swasey Drive. Go about 2 miles on Swasey Drive. The Swasey Recreation Area entrance will be on your right. For more information call the Redding B.M. at 530-224-2100.

**When:** Sunday, October 3, 2010  
**Where:** B.M.'s Swasey Recreation Area
