

North Country National Scenic Trail

Information on Completed Segments

The information in this brochure is not sufficiently detailed to enable you to actually use completed segments of the trail. You will need more detailed information from the sources below. The North Country Trail Association, Finger Lakes Trail Conference, Superior Hiking Trail Association, and Buckeye Trail Association have trail shops carrying maps and other trail related items. Trail information is also available from the sources corresponding to the numbers on the map. Information about camping and other matters within the State parks, forests, and wildlife areas along the trail, indicated by black triangles (▲), can be obtained from the corresponding agencies in the list below.
